

CANVAS

Canvas Restaurant & Market serves new American cuisine with a focus on seasonal, regional produce and fresh seafood. Enjoy stunning lakeside views and beautiful spaces inside and out to enjoy a perfect sunset, beautiful Florida weather, and incredible cuisine to compliment any taste. Host an event in one of our private rooms or the entire venue. Booking these spaces does not require a room rental, just a food and beverage minimum which varies by date and time.

GLASS HOUSE

Enjoy a visit to "Glass House," a stunning work of installation art conceived and constructed by Brooklyn-based artist Tom Fruin. This kaleidoscopic piece utilizes reclaimed materials and celebrates overlooked landmarks by pulling cues from sustainable urban design and American folk art, all while eliciting the spiritual qualities of stained glass. The Glass House provides a colorful and unique backdrop for your event photos.

DOCKSIDE

The adjacent 2,000 Square foot fully private venue Dockside is available with Canvas catering menus or exclusive Dockside menus. The adjacent lakeside terrace provides a perfect setting for wedding ceremonies and receptions. Photos and more information [HERE](#)
